

Montagebeiblatt für Art.-Nr. 100093

1. Packinginhalt: Halter rechts + links, 2 Spiegelköpfe, 2 Anleitungen, 1 Tasche

The image shows the contents of the product packaging. Two black mirror brackets are visible, one on the left and one on the right. In the center is a black bag with the 'EMUK' logo and 'CDM' text. To the right of the bag is a manual with a picture of a truck's side mirror. A cardboard box is partially visible on the left.

2. Halter von innen am Spiegelgehäuserand einhängen.

The image shows a side view of a yellow mirror housing. A black bracket is being inserted from the back into a slot on the housing's edge.

3. Halter mit leichtem Druck bis unter den Blinker schieben.

The image shows the yellow mirror housing with the black bracket now fully attached to its back. The bracket is positioned under the blinker mechanism.

4. Klemmschelle über dem Spiegelgehäuserand fest anschrauben.

The image shows the mirror housing with the bracket attached. A black screw is being used to tighten a clamp on the bracket, securing it to the mirror housing.
